Clinton Lipscomb is a member of the firm's insurance law group. His practice is informed by his prior experience as an associate in the New York, Paris, and Washington, D.C. offices of an international law firm, where he served in both investigative and compliance advisory roles with a focus on matters implicating international and foreign bribery concerns. His practice involved advising clients in the context of regulatory inquiries by enforcement agencies such as the U.S. Department of Justice, U.S. Securities and Exchange Commission, U.K. Serious Fraud Office, and French Agence Française Anti-Corruption.

In addition to assisting companies with conducting global anti-corruption investigations, risk assessments, and compliance analyses in connection with asset acquisitions, Clinton worked with clients to strengthen internal policies and procedures and to analyze and manage third-party relationships from a compliance perspective. He also advised on anti-corruption issues related to the U.S. International Traffic in Arms Regulations.

Clinton began his practice in the area of product liability litigation, and has also advised on general corporate compliance and securities regulation matters.
